## Shaping Our Common Future Together

Every small contribution from you to our sustainable efforts can create a significant impact locally; creating a global effect as well.

Here is how....

### Report damages

Report any damage and leakage to the reception.

### Save water

Take a shower, not a bath and re-use your towels and bed sheets (see respective room info).

### Save energy

Turn off all lights, AC & TV when leaving your room.

### Avoid waste

Leave no waste on the hotel grounds nor on the local sites you visit.

### Recycle

Support the success of our recycling program by following the provided info.

### Local gastronomy

Discover local and Greek traditional edible treasures & flavours in our restaurants.

### Shop locally

Buy local made souvenirs & products and avoid anything made from endangered species.

### Travel responsibly

Whenever possible, walk, cycle or use public transportation to get around the island.

Any comments, suggestions and positive input are welcomed!!
